

The annual Columbia Gorge Fitness Fair hits the Skamania County Fairgrounds, Saturday, May 5, 2012. We anticipate over 200 visitors will enjoy this day of fitness and wellness demonstrations, activities, and education. Once again we are partnering with the Columbia Gorge Running Club in presenting the 6th Annual Carson to Stevenson Ridge Run in conjunction with the Fitness Fair. We expect 100 runners and walkers to cross the finish line in front of the event venue. Participants of all ages will be encouraged to get on the path to getting and staying fit!

We invite you to join us as one of our valued vendors through an informational booth or demonstration. We hope you will take this opportunity to share your fitness industry expertise and resources with our community. Enclosed is our event brochure application. After your review, please let me know if you have any questions. I look forward to working with you on this important outreach effort.

Sincerely,
