

Dear Vendor:

Skamania County Department of Public Works encourages you to enroll on our Vendor Roster. The purpose of the Vendor Roster is to form a pool of vendors to solicit informal bids for purchases of equipment, materials, supplies, services, and leases between \$2,500 and \$25,000.

When the need arises, Skamania County invites all qualified vendors on the Vendor Roster to bid, with the lowest and reasonable bidder selected. To become a qualified vendor on the Vendor Roster, submit a completed Vendor Roster application (attached).

Accepted applications will remain on the Vendor Roster for one year.

If you have any questions, please contact Laura Newman at 509-427-3910 or email newman@co.skamania.wa.us.
