Hospital District

Commissioner, Position No. 2

Forest Hofer

Statement During the last four years using outstanding personnel and administration our service has had many improvements. We have expanded our capabilities with advanced response vehicles, increased our training and internship program, strengthened our interlocal agreements and updated our

equipment and vehicles. We are a cutting edge service and we are sought out by other agencies for training and experience. We are working to stay abreast of our community needs with an eye towards the future. I ask for your support in helping with this important work.

Rob Farris

Statement I have been involved with the Operations side of Emergency Services in Skamania County since 1996. As I ponder retirement from the local fire department, I can not think of a better way to support Emergency Services within the County than running for Hospital District Commissioner. I bring 25+ years of

experience in Emergency Service Operations and Management to the table. My experience in Fire District budgeting and policy will be a great addition to the District. I look forward to having the opportunity to help sustain the longevity of the Hospital District moving forward.
