Record Book Instructions

Requirements:

- Fill out all pages of your record book completely.
- Fill out a separate record book for each horse you bring
- Remember to get all required signatures
- Arrange your book in the order below. There is also a description on how to fill it out.

Cover Page – Include your name, horses name, the year, how many years you have been in 4H, the fair theme and a picture of you and your horse.

Planning Calendar – You should fill this out at the beginning of the year with what you PLAN to do. List out any shows, clinics and lessons you **plan** to do. As you go through the year you will check off as you complete the items. You may add things as you go through the months as well.

Project Goals – List out 3 different goals you would like to focus on this 4-H year. You will then write a paragraph about how you plan to reach those goals. Add details on what steps you will take to work with your project to reach these goals together.

Individual Horse Record – You will fill this out with information about your horse and maintaining it's health.

Horse Expense Record – You will record all expenses relating to your Horse Project (hay, grain, salt, vitamins, bedding, barn and pasture maintenance, entry fees, equipment, etc.). Include amounts (1 ton alfalfa hay; 3 80# sacks rolled oats, etc.). You may record either the amount it costs you to feed your horse per month OR the amount purchased per month. If you board your horse, enter monthly bill. If you receive something in exchange for your work or as a gift, put "0" in Cost Column and write a short explanation.

Equipment Record – Fill this out with major tack items you buy. As you buy items add them to this list. As you sell or dispose of items mark them off this list. This document can move from each record book each year. You may put similar items on one line (example: grooming tools).

Riding/Training Record – You will fill this out with hours ridden, training as well as any shows, clinics and contests you enter over the year. Contests include horse judging, groom squad, horse bowl, ect. If a clinic is being entered and placing does not apply just enter NA in the placings column.

Horse Certificate – This is entered online, but there must be a copy in the record book to be signed off on.

Essay – *Juniors* – *Minimum 400 words Int./Sr's* – *Minimum 750 words*. **2024 Topic** – Include your name, horses name, your ages and how long you have been in 4H with your horse. We want to know why you love being involved in 4H and how it has changed you or helped you grow. Then tell us about one type of poisonous plant to horses. Information about it, where it mainly grows and what happens if a horse ingests it, something we might not know about it. Be sure to include as much detail as you can, do not skimp.

Project Photos: A page or two of photos of you and your horse throughout the year. From practice, shows, or just having fun.

- Cloverbuds: ages 5-7 - JR: ages 8-10 - INT: ages 11-13 - SR: ages 14 to less than 19.

Ages are as of Oct 1st of the current 4-H year.
