

SKAMANIA COUNTY DISTRICT COURT  
STEVENSON MUNICIPAL COURT  
NORTH BONNEVILLE MUNICIPAL COURT

EMERGENCY ADMINISTRATIVE ORDER NO 20-11

---

**THIS ADMINISTRATIVE ORDER** is being issued in response to the status of the AOC emergency shutdown of all Statewide Court Computer systems due to a breach of the system.

This shutdown has left the local Court without the ability to look at criminal history, warrant history, Department of Licensing, docket entries, sector, or converse in any way with the State Court. The Skamania County District Court, Stevenson Municipal Court, and North Bonneville Municipal Court rely on said system to determine conditions of release, sentencings, accepting payments on Court fees, and many other essential tasks as required by Court rule and constitution.

**NOW, THEREFORE, it is hereby ORDERED:**

Arraignments will continue as scheduled. Criminal and Civil matters will be reset only as required.

The court finds good cause to extend jurisdiction on a case-by-case basis as needed to fairly adjudicate matters before the court. Infraction filing requirements and time for trial are tolled. Criminal Sentencing will not occur until the State system is restored.

Dated this 7 day of Nov, 2024.
