The Washington State Boundary Review Board for Skamania County takes this means of informing all potentially interested parties of Notices of Intention that are filed with the Board.

The Skamania County Fire District 1 has submitted a proposal to annex properties in the Mill A and Willard area to their fire district to provide fire protection services to those residences. The Notice of Intention with maps indicating the area involved were accepted as a completed application on February 26, 2021. Copies of this proposal are available upon request. The process will take at least 45 days (RCW 36.93.100).

Under RCW 36.93.100 (4)

Five percent of the registered voters who deem themselves affected by the action and reside within one-quarter mile of the proposed action but not within the jurisdiction proposing the action may request by petition that the Board's jurisdiction be invoked. If jurisdiction is invoked the Board shall hold a public hearing, take public comment and take official action to "approve, disapprove or modify" the proposal. A fee of \$200.00 is required for such review under RCW 36.93.120.

If you wish to invoke the jurisdiction of the Boundary Review Board under the above reasons, please fill out the attached form and return it with a petition of the signatures and the \$200.00 filing fee to the above address no later than April 12, 2021.

If a period of 45 days shall elapse without the Board's jurisdiction having been invoked, the proposed action shall be deemed approved.

Sincerely,

Debi Van Camp
Chief Clerk
