Skamania County Sheriff's Emergency Services sponsored by Skamania County Sheriff's Department.

Continue to enhance and improve necessary and appropriate emergency response capabilities of the Skamania County Sheriff to include search and rescue in the Gifford Pinchot National Forest and Columbia River Gorge National Scenic Area. Will also continue to provide initial response to medical calls, reported wildfires and other public safety services. This project requests funding to maintain Road Deputy wages and overtime, including maintenance and replacement of supporting equipment and services utilized to adequately provide response to emergencies including Search and Rescue missions upon National Forest lands in Skamania County.

North Country EMS St. Helen's Project sponsored by North Country EMS.

Continue to provide ambulance and rescue services staffed with trained emergency medical service personnel to areas of Skamania County as depicted in the provided service area map, with special emphasis on certain Mt. St. Helens recreational areas during the months of, July and August and early September and response from other stations as needed and available.

Skamania County Firewise, sponsored by Underwood Conservation District.

Continue an ongoing program designed to reduce wildfire hazards to the lives and property of county residents and carry out the Community Wildfire Protection Plan by planning and assisting with collaborative projects to reduce fire fuels in vulnerable locations.

EMS and Rescue Response sponsored by Skamania County Public Hospital District dba Skamania County Emergency Medical Services.

Requesting renewed funding of this project so that the provision of services and reimbursement of associated costs may continue uninterrupted. This project provides emergency medical services, rescue and ambulance transport services to areas of the County owned by the federal government, including fire suppression services for structural and wild land firefighting in addition to trail rescue, rope rescue, motor vehicle collisions, hazardous materials, and public assistance calls. Also, requesting funds for training costs related to services provided under this contract.

Dated this 18th day of May 2021.

Debbie Slack

Clerk of the Board
